

**Golden Valley Farms Inc. established in 1989.
We are a quality processor of meat products, located in
Arthur, Ontario and due to our continuing growth we
are seeking the following to join our team.**

Industrial Electrician

- To qualify you must hold an industrial electrician trade certification. You will be required to diagnose, troubleshoot, maintain and repair any electrical or related equipment. You should be able to perform mechanical repairs. Basic working knowledge of pneumatics, hydraulics, PLC's and AC/DC drives is required.

**Interested applicants are invited to submit their
resume and cover letter to hr@gvf.ca or by fax to
519-848-3470**

Golden Valley Farms Inc. is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act ('AODA').

Applicants are asked to make their needs/requirements for the purpose of accommodation under AODA, known to Human Resources when they are contacted for an interview.
